

# GC200T-2S

# UNIQUE

**Computerized single needle lockstitch sewing machine with double step motors technology**

1-needle stitch

## ■ Features

- With the latest two step motors technology - one to control the stitch feeding and reversing; the other one to control auto thread trimming and presser foot lifting.
- Precise digital stitch length adjustment by every 0.1mm, easy to use.
- With 9 built-in patterns of stitches, for different needs like decorating stitch
- With double round trimming blades and tight seam function, the length of the thread left on the cloth is within 3MM.
- Buttons for supplement stitches can immediately switch it to 1/2 and 1/4 of the previous stitch length
- Electronic thread tension device and electronic knee click control for foot lifter.
- Sealed lubrication oil pan
- Less noise and less failure rate.
